After renovation, the facility will become the heart of downtown Saratoga, open 250 nights a year with concerts, theater, educational programming and community based events. Occupancy will be approximately 750 in the upper Great Hall and 150 in the lower community room.

Describe the reasons why the Agency's financial assistance is necessary, and the effect the Project will have on the Applicant's business or operations. Focus on competitiveness issues, project shortfalls, etc... Your eligibility determination will be based in part on your answer (attach additional pages if necessary):

A significant component of the financing of the renovation will be the use of both Federal and State Historic Tax Credits. The value of these credits will exceed 2,000,000 dollars. To utilize

the credits, a for profit company needs to invest in the project to both earn the credits and utilize them against tax obligations. During the period of investment (about 5 years), that would make UPH potentially liable for property taxes. This request is to maintain the existing property tax

exemptions that the property has had for over 100 years during this brief investment period that will allow the use of the historic credits.

Please confirm by checking the box below if there is likelihood that the Project would not be undertaken but for the Financial Assistance provided by the Agency?

Ves or No

If the Applicant is unable to obtain Financial Assistance for the Project, what will be the impact on the Applicant and County/City/Town/Village?

ARTICLE II

COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF PROJECT FACILITY.

Assessment of Premises: Pursuant to Section 874 of the Act and Section 412-a of the Real (A) Property Tax Law, the parties hereto acknowledge that, upon acquisition of a leasehold interest in the Premises by the Agency, and for so long thereafter as the Agency shall own such interest in the Premises, the Premises shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of such leasehold interest in the Premises. The Company shall promptly, following acquisition by the Agency of such leasehold interest in the Premises, cooperate to ensure that the Project Facility is assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, and for so long thereafter as the Agency shall own the leasehold interest in the Premises, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The Agency will cooperate with the Company and will take all action as may be necessary (subject to the provisions of Section 3.01 hereof) to preserve the tax exempt status of the Project Facility. The parties hereto acknowledge that the entering into of the Underlying Lease shall not entitle the Project Facility to such exempt status on the tax rolls of any Taxing Entity until the assessment roll corresponding to the Taxable Status Date of March 1, 2018 is prepared and filed. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay to the appropriate Taxing Entity any taxes and assessments lawfully levied and/or assessed by the appropriate Taxing Entity against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the appropriate Taxing Entity. However, to facilitate the treatment of the Project Facility as exempt upon the assessment rolls of the Taxing Entities beginning as of the date of this Agreement, the Nonprofit and the Agency have entered into a certain Interim Lease of even date herewith.

(B) <u>Special Assessments</u>: The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay to the appropriate Taxing Entity all special assessments and special ad valorem levies lawfully levied and/or assessed by the appropriate Taxing Entity against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) <u>Agreement to Make Payments</u>: The Company agrees that it will make annual payments in lieu of real estate taxes with respect to the Project Facility to the Agency in the amounts hereinafter provided for redistribution to the respective Taxing Entities in proportion to the amounts which said Taxing Entities would have received had not the Project Facility been acquired and owned by the Agency.

(B) <u>Amount of Payments in Lieu of Taxes</u>:

(1) During the term of this Agreement, the Company shall not be required to pay any payments in lieu of real estate taxes with respect to the Project Facility on account of either city and county or school taxes.

(2) (a) For purposes of this Section 2.02: the "Assessed Value" of the Project Facility or the Facility, as applicable, shall be determined by the appropriate officer or officers of the Taxing Entity responsible for assessing properties in each Taxing Entity (said officer or officers being hereinafter collectively referred to as the "Assessor"). The Assessor shall (a) appraise the Facility and/or the Project Facility, as applicable, (excluding, where permitted by law, personal property) in the same manner as other similar properties in said Taxing Entity and (b) place a value for assessment purposes upon the Facility and/or the Project Facility, as applicable, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes.

(b) If the Company is dissatisfied with the amount of Assessed Value as initially established or as changed, the Company may pursue review of the Assessed Value under Article 7 of the New York State Real Property Tax Law or any other law or ordinance then in effect relating to disputes over assessed valuation of real property in the State of New York, and may take any and all other action available to it at law or in equity. The Agency hereby irrevocably appoints the Company its attorney-in-fact and agent (coupled with an interest) for the purpose of commencing any proceeding, preparing and filing all documents and taking any and all other actions required to be taken by Agency, necessary or desirable, in the opinion of the Company, to contest or dispute any Assessed Value within such periods; provided, however, that the Agency shall incur no expense or liability in connection with any action taken or omitted to be taken by its attorney-in-fact and agent.

(c) The Company will file with the appropriate officer the filing required under Section 412-a (2) of the Real Property Tax Law of New York State on or before March 1, 2018. THE COMPANY ACKNOWLEDGES THAT THE FAILURE TO FILE SUCH FORM BY THE DATE INDICATED WILL RESULT IN A NULLIFICATION OF THE TERMS OF THIS AGREEMENT.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY.

(A) <u>No Recourse</u>: All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenants or agreement contained in this Agreement, or otherwise based upon or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member,

officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement, it being expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(B) <u>Limited Obligation</u>: The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the County of Saratoga, New York, and neither the State of New York nor the County of Saratoga, New York shall be liable thereon, and further such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) <u>Further Limitation</u>: Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, unless the Agency shall have received from the Company security or indemnity and an agreement from the Company satisfactory to the Agency to defend and hold harmless the Agency against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events (hereinafter an "Event of Default") shall constitute a default under this Agreement:

(A) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement and continuance of said failure for a period of ten (10) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed by it hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period, and the Company shall have commenced action to cure the breach of such covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for a period not to exceed sixty (60) days from the date of receipt by the Company of such notice; or (C) Any warranty or representation by the Company contained in this Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement and such falsity or incorrectness has a material adverse affect on the Company's ability to perform its obligations under this Agreement.

SECTION 4.02. REMEDIES ON DEFAULT. Whenever any Event of Default shall have occurred and be continuing with respect to this Agreement, the Agency may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement including, without limitation, the exercise by the Agency of the remedy set forth in subsection (A)(3) of Section 10.2 of the Lease Agreement. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Agreement may be brought in the courts of the State of New York, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If an Event of Default should occur and be continuing under this Agreement and the Agency should employ attorneys or incur other reasonable expenses for the collection of any amounts due and payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor by the Agency, reimburse the Agency for the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE.

(A) <u>No Remedy Exclusive</u>: Notwithstanding anything to the contrary contained herein, no remedy herein conferred upon or reserved to the Agency or the Company is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(B) <u>Delay</u>: No delay or omission in exercising any right or power accruing upon the occurrence of an Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) <u>Notice Not Required</u>: In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(D) <u>No Waiver</u>: In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

(B) Extended Term: In the event that (1) the Project Facility shall be conveyed to the Company, (2) if on the date on which the Company obtains to the Agency's interest in the Project Facility, the Project Facility shall be assessed as exempt upon the assessment roll of any one or more of the Taxing Entities solely as a result of the Agency's prior interest in the Project Facility, and (3) if the fact of obtaining title shall not immediately obligate the Company to make pro rata tax payments pursuant to legislation similar to Chapter 635 of the 1978 Laws of New York (codified as subsection 3 of Section 302 of the Real Property Tax Law and Section 520 of the Real Property Tax Law), this Agreement shall remain in full force and effect but only to the extent set forth in this sentence and the Company shall be obligated to make payments to the Agency in amounts equal to the normal tax which would be due from the Company if the Project Facility were owned by the Company and not the Agency until the first tax year in which the Company shall appear on the tax rolls of the various Taxing Entities having jurisdiction over the Project Facility as the legal owner of record of the Project Facility.
