DEFINITION OF TERMS. All words and terms used herein and not otherwise defined herein shall have the meanings assigned to such words and terms in the Lease Agreement.

ARTICLE I

REPRESENTATIONS AND WARRANTIES

SECTION 1.01. REPRESENTATIONS AND WARRANTIES OF COMPANY. The Company represents and warrants that:

(A) Power: The Company is a limited liability company organized and existing under the laws of the State of New York, has the power to enter into this Agreement and to carry out its obligations hereunder and by proper action of its directors has authorized the execution, delivery and performance of this Agreement.

(B) Authorization: Neither the execution and delivery of this Agreement, the consummation by the Company of the transactions contemplated hereby nor the fulfillment by the Company of or compliance by the Company with the provisions of this Agreement will conflict with or result in a breach of any of the terms, conditions or provisions of the articles of organization or operating agreement of the Company, or any order, judgment, agreement, or instrument to which the Company is a party or by which it is bound, or will constitute a default under any of the foregoing.

(C) Governmental Consent: To the knowledge of the Company no consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Company is required as a condition precedent to the execution, delivery or performance of this Agreement by the Company or as a condition precedent to the consummation by the Company of the transactions contemplated hereby.

SECTION 1.02. REPRESENTATIONS AND WARRANTIES OF THE AGENCY. The Agency represents and warrants that:

(A) Power: The Agency is duly established under the provisions of the Act and has the power to enter into this Agreement and to carry out its obligations hereunder. By proper official action, the Agency has been duly authorized to execute, deliver and perform this Agreement.

(B) Authorization: Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby by the Agency nor the fulfillment by the Agency or compliance by the Agency with the provisions of this Agreement will conflict with or result in a breach by the Agency of any of the terms, conditions or provisions of the Act, the by-laws of the Agency, or any order, judgment, restriction, agreement or instrument to which the Agency is a party or by which it is bound, or will constitute a default by the Agency under any of the foregoing.

(C) Governmental Consent: To the knowledge of the Agency no consent, approval or authorization of, or filing, registration or qualification with, any governmental or public authority on the part of the Agency is required as a condition precedent to the execution, delivery or performance of this Agreement by the Agency or as a condition precedent to the consummation by the Agency of the transactions contemplated hereby.

ARTICLE II

COVENANTS AND AGREEMENTS

SECTION 2.01. TAX-EXEMPT STATUS OF PROJECT FACILITY.

(A) Assessment of Project Facility: Pursuant to Section 874 of the Act and Section 412-a of the Real Property Tax Law, the parties hereto acknowledge that, upon acquisition of the Project Facility by the Agency, and for so long thereafter as the Agency shall own the Project Facility, the Project Facility shall be assessed by the various taxing entities having jurisdiction over the Project Facility, including, without limitation, any county, city, school district, town, village or other political unit or units wherein the Project Facility is located (such taxing entities being sometimes collectively hereinafter referred to as the "Taxing Entities", and each of such Taxing Entities being sometimes individually hereinafter referred to as a "Taxing Entity") as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to the acquisition by the Agency of title to the Project Facility. The Company shall promptly, following acquisition by the Agency of title to the Project Facility, cooperate to ensure that the Project Facility is assessed as exempt upon the assessment rolls of the respective Taxing Entities prepared subsequent to such acquisition by the Agency, and for so long thereafter as the Agency shall own the Project Facility, the Company shall take such further action as may be necessary to maintain such exempt assessment with respect to each Taxing Entity. The Agency will cooperate with the Company and will take all action as may be necessary (subject to the provisions of Section 3.01 hereof) to preserve the tax exempt status of the Project Facility. The parties hereto acknowledge that the Project Facility shall not be entitled to such exempt status on the tax rolls of any Taxing Entity until the assessment roll corresponding to the Taxable Status Date of March 1, 2017 is prepared and filed. Pursuant to the provisions of the Lease Agreement, the Company will be required to pay to the appropriate Taxing Entity all taxes and assessments lawfully levied and/or assessed by the appropriate Taxing Entity against the Project Facility, including taxes and assessments levied for the current tax year and all subsequent tax years until the Project Facility shall be entitled to exempt status on the tax rolls of the appropriate Taxing Entity.

(B) Special Assessments: The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the Act and Section 412-a of the Real Property Tax Law does not entitle the Agency to exemption from special assessments and special ad valorem levies. Pursuant to the Lease Agreement, the Company will be required to pay to the appropriate Taxing Entity all special assessments and special ad valorem levies lawfully levied and/or assessed by the appropriate Taxing Entity against the Project Facility.

SECTION 2.02. PAYMENTS IN LIEU OF TAXES.

(A) Agreement to Make Payments: The Company agrees that it will make annual payments in lieu of real estate taxes with respect to the Project Facility to the Agency in the amounts hereinafter provided for redistribution to the respective Taxing Entities in proportion to the amounts which said Taxing Entities would have received had not the Project Facility been acquired and owned by the Agency.

(B) Amount of Payments in Lieu of Taxes:

(1) City and County Taxes: (a) Commencing on February 15, 2018 and continuing on February 15 of each year thereafter up to and including February 15, 2027, payments in lieu of real estate taxes shall be due, owing and payable by the Company to the Agency on account of city and county taxes with respect to each appropriate Taxing Entity equal to the product of (i) the Initial Assessed Value (as herein defined) and (ii) the tax rate or rates of each such Taxing Entity applicable to the Project Facility for the current tax year of such Taxing Entity.

(b) Commencing February 15, 2028 and continuing on each February 15 thereafter for such time as this Agreement is in effect, payments in lieu of real estate taxes shall be due, owing and payable by the Company to the Agency on account of city and county taxes with respect to each appropriate Taxing Entity in an amount to be determined by multiplying (i) the Assessed Value of the Project Facility determined pursuant to Section (B)3 of this Section 2.02 by (ii) the tax rate or rates of such Taxing Entity applicable to the Project Facility for the current tax year of such Taxing Entity.

(2) School Taxes: (a) Commencing September 15, 2017 and continuing on September 15 of each year up to and including September 15, 2026, payments in lieu of real estate taxes shall be due, owing and payable by the Company to the Agency on account of school taxes equal to the product of (i) the Initial Assessed Value and (ii) the tax rate or rates of the Saratoga Springs City School District applicable to the Project Facility for the current tax year.

(b) Commencing September 15, 2027 and continuing for such time as this Agreement is in effect, payments in lieu of real estate taxes shall be due, owing and payable by the Company to the Agency on account of school taxes in an amount to be determined by multiplying (i) the Assessed Value of the Project Facility determined pursuant to Section 3 of this Section 2.02(B) by (ii) the tax rate or rates of the Saratoga Springs City School District applicable to the Project Facility for the current tax year of the Saratoga Springs City School District.

(3) (a) For purposes of this Section 2.02: (i) "Initial Assessed Value" shall mean the Assessed Value (determined in accordance with subparagraph (a) (ii) of this Section 2.02 (B) (3)) of the Land (without regard to the Facility); and

(ii) the "Assessed Value" of the Project Facility, the Facility or the Land, as applicable, shall be determined by the appropriate officer or officers of the Taxing Entity responsible for assessing properties in each Taxing Entity (said officer or officers being hereinafter collectively referred to as the "Assessor"). The Assessor shall (a) appraise the Land and/or the Facility and/or the Project Facility, as applicable, (excluding, where permitted by law, personal property) in the same manner as other similar properties in said Taxing Entity and (b) place a value for assessment purposes upon the Land and/or the Facility and/or the Project Facility, as applicable, equalized if necessary by using the appropriate equalization rates as apply in the assessment and levy of real property taxes.

(b) If the Company is dissatisfied with the amount of Assessed Value as initially established or as changed, the Company may pursue review of the Assessed Value under Article 7

of the New York State Real Property Tax Law or any other law or ordinance then in effect relating to disputes over assessed valuation of real property in the State of New York, and may take any and all other action available to it at law or in equity, for a period of seven (7) years from the date such Assessed Value is initially established or changed. IF THE COMPANY FAILS TO PURSUE REVIEW OF (i) THE INITIALLY ESTABLISHED ASSESSED VALUE, DURING THE SEVEN (7) YEAR PERIOD FOLLOWING SUCH ESTABLISHMENT, OR (ii) ANY CHANGE IN ASSESSED VALUE, DURING THE SEVEN (7) YEAR PERIOD FOLLOWING ANY SUCH CHANGE, THE COMPANY SHALL BE DEEMED TO HAVE WAIVED ANY RIGHT TO CONTEST OR DISPUTE SUCH ASSESSED VALUE AT ANY TIME FOR A SEVEN (7) YEAR PERIOD COMMENCING MARCH 1, 2025 NOTWITHSTANDING ANYTHING IN THE NEW YORK STATE REAL PROPERTY TAX LAW TO THE CONTRARY. THIS SEVEN (7) YEAR LIMITATION SHALL APPLY TO EACH AND EVERY ASSESSMENT MADE DURING THE PERIOD THAT THE AGENCY HOLDS TITLE TO THE PROJECT FACILITY, AND SHALL BE FOR THE BENEFIT OF THE AGENCY AND THE OTHER TAXING ENTITIES. The Agency hereby irrevocably appoints the Company its attorney-in-fact and agent (coupled with an interest) for the purpose of commencing any proceeding, preparing and filing all documents and taking any and all other actions required to be taken by Agency, necessary or desirable, in the opinion of the Company, to contest or dispute any Assessed Value within such periods; provided, however, that the Agency shall incur no expense or liability in connection with any action taken or omitted to be taken by its attorney-in-fact and agent.

(c) The Company will file with the appropriate officer the filing required under Section 412-a (2) of the Real Property Tax Law of New York State on or before March 1, 2017. THE COMPANY ACKNOWLEDGES THAT THE FAILURE TO FILE SUCH FORM BY THE DATE INDICATED WILL RESULT IN A NULLIFICATION OF THE TERMS OF THIS AGREEMENT.

(4) Additional Amounts in Lieu of Taxes: Commencing on the first tax year following the date on which any structural addition shall be made to the Project Facility or any portion thereof or any additional building or other structure shall be constructed on the Land (such structural additions and additional buildings and other structures being hereinafter referred to as "Additional Facilities"), the Company agrees to make additional annual payments in lieu of property taxes (such additional payments being hereinafter collectively referred to as "Additional Payments") to the receivers of taxes with respect to such Additional Facilities, such Additional Payments to be computed separately for each Taxing Entity as follows:

(1) Determine the amount of general taxes and general assessments (hereinafter referred to as the "Normal Tax") which would be payable to each Taxing Entity if such Additional Facilities were owned by the Company and not the Agency by multiplying (a) the additional Assessed Value of such Additional Facilities determined pursuant to subsection (B)(3) of this Section 2.02, by (b) the tax rate or rates of such Taxing Entity that would be applicable to such Additional Facilities if such Additional Facilities were owned by the Company and not the Agency, and (c) reducing the amount so determined by the amounts of any tax exemptions or credits that would be afforded to the Company by such Taxing Entity if such Additional Facilities were owned by the Company and not the Agency.

(2) In each calendar year during the term of this Agreement (commencing in the calendar year when such Additional Facilities first appear on the assessment roll of any Taxing Entity), the amount payable by the Company to the receivers of taxes on behalf of each Taxing Entity as a payment in lieu of property tax with respect to such Additional Facilities pursuant to this Agreement shall be an amount equal to one hundred percent (100%) of the Normal Tax due each Taxing Entity with respect to such Additional Facilities for such calendar year (unless the Agency and the Company shall enter into a separate written agreement regarding payments in lieu of property taxes with respect to such Additional Facilities, in which case the provisions of such separate written agreement shall control).

SECTION 2.03. INTEREST. If the Company shall fail to make any payment required by this Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment in default shall have been made in full, and the Company shall pay the same together with late fees and interest thereon equal to the greater of (A) any late fees and interest which would be applicable with respect to each Taxing Entity were the Project Facility owned by the Company and not the Agency and (B) the late fees and interest prescribed by subsection (5) of Section 874 of the General Municipal Law of the State of New York (or any successor statute thereto).

SECTION 2.04. ABATEMENT REDUCTION AND RECAPTURE OF BENEFITS.

(A) Abatement Reduction. Notwithstanding anything herein to the contrary, the real property tax abatements set forth herein are subject to reduction as set forth below at the discretion of the Agency upon the occurrence of the following:

- (1) Closure of the Facility;
- (2) A significant change in the use of the Facility and/or the business operations of the Tenant;
- (3) Significant employment reductions at the Facility which are (a) not representative of (i) such Tenant's normal business cycles and/or (ii) local and natural economic conditions and (b) inconsistent with employment projections set forth in the application for financial assistance submitted to the Agency.

The applicable reduction for the purposes hereof shall be as follows for the years in question:

<u>PILOT YEAR</u>	<u>PERCENTAGE REDUCTION</u>
Year(s) 1 – 5	50% to 100%
Year 6	50%
Year 7	40%
Year 8	30%
Year 9	20%

(B) Abatement Recapture. For purposes hereof,

“AER” is the Company’s annual report of employment required to be provided to the Agency.

“Benefit” shall mean the amount the Company saved by making payments in lieu of real property taxes in a particular year. For example, if a Company’s payment required hereunder is equal to 75% of normal real property taxes, then the Company’s benefit for that year would be an amount equal to 25% of normal real property taxes.

“Cure Period” shall mean the period ending June 30th of the year following the Shortfall.

“Employment Obligation” shall mean the number of FTEs selected by the Agency based on what the Company represents is the FTEs it will hire and the number of FTEs retained, as set forth in its application for Financial Assistance.

“Employment Obligation Term” shall mean the period during which the Company is receiving a Benefit.

“FTE” shall mean a full time employee that has a minimum of thirty-five (35) scheduled hours per week, or such other number of hours per week (but not less than twenty-five (25) hours) as established by existing written policies of the Company, and whose workplace location is the Project Facility.

“Per Employee Amount” shall mean an amount equal to the Benefit for the year after the year of the Shortfall divided by the “Employment Obligation”.

“Major Shortfall” shall mean any number of FTEs that is less than 50% of the Employment Obligation.

“Shortfall” shall mean the difference between the Employment Obligation and the actual Number of FTEs per the AER for the applicable year.

1. Job Creation and Retention Obligations. The failure of the Company to satisfy the Employment Obligation shall subject the Company to Recapture Payments (as defined below) to the Agency. The Company shall be deemed to have failed to satisfy its Employment Obligation as of the beginning of the year subsequent to the year for which the Company files an AER; if the total number of FTEs shown on such report for the applicable year is less than 80% of the applicable Employment Obligation for said year (Recapture Payments are only required if the Shortfall is more than 20% of the Employment Obligation).

2. Shortfall Recapture Payments

(i) If the Company shall be subject to Recapture Payments, as contemplated in subsection (1) above, then the Company shall pay to the Agency an amount equal to the Per Employee Amount multiplied by the difference between the Employment Obligation and the number of FTEs shown on the AER, in each instance for the applicable year (“Recapture Payments”).

(ii) Notwithstanding any of the foregoing, a Shortfall shall not apply where the Shortfall is a result of a major casualty to or condemnation of the Project Facility. In the event of such major casualty or condemnation, the Company shall have no obligation to pay the Shortfall Payment.

The Agency shall have the right to reduce any payments required, under this policy, in extraordinary circumstances, in its sole discretion. After the expiration of the Employment Obligation Term, the Company shall have no further Obligation with respect to the Employment Obligation and shall not be liable for any of the Recapture Payments described above.

(C) Reporting Requirements: The Company shall, by January 1st of each year this Agreement is in effect, submit the AER, which is an employment report, to the Agency detailing the number of full and part time positions by category: professional/managerial, clerical, skilled and unskilled. Any projected increases or reductions in the work force for the upcoming year shall also be reported. Failure to report within thirty (30) days of such date shall constitute an Event of Default hereunder without the necessity of a notice from the Agency. Following receipt and review of such report, should the Agency determine that a reduction in the abatements described herein is warranted, the Agency shall notify the Company in writing and the Company shall be given an opportunity to respond.

ARTICLE III

LIMITED OBLIGATION OF THE AGENCY

SECTION 3.01. NO RECOURSE; LIMITED OBLIGATION OF THE AGENCY.

(A) No Recourse: All covenants, stipulations, promises, agreements and obligations of the Agency contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member, officer, agent, servant or employee of the Agency in his individual capacity, and no recourse under or upon any obligation, covenants or agreement contained in this Agreement, or otherwise based upon or in respect of this Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent (other than the Company), servant or employee, as such, of the Agency or any successor public benefit corporation or political subdivision or any person executing this Agreement on behalf of the Agency, either directly or through the Agency or any successor public benefit corporation or political subdivision or any person so executing this Agreement, it being expressly understood that this Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent (other than the Company), servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this Agreement under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom; and that any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent (other than the Company), servant or employee under or by reason of the obligations, covenants or agreements contained in this Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(B) Limited Obligation: The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State of New York or the County of Saratoga, New York, and neither the State of New York nor the County of Saratoga, New York shall be liable thereon, and further such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from the lease, sale or other disposition of the Project Facility (except for revenues derived by the Agency with respect to the Unassigned Rights).

(C) Further Limitation: Notwithstanding any provision of this Agreement to the contrary, the Agency shall not be obligated to take any action pursuant to any provision hereof unless (1) the Agency shall have been requested to do so in writing by the Company, and (2) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity and an agreement from the Company satisfactory to the Agency to defend and hold harmless the Agency against all such liability, however remote, and for the reimbursement of all such fees, expenses and other costs.

ARTICLE IV

EVENTS OF DEFAULT

SECTION 4.01. EVENTS OF DEFAULT. Any one or more of the following events (hereinafter an "Event of Default") shall constitute a default under this Agreement:

(A) Failure of the Company to pay any amount due and payable by it pursuant to this Agreement and continuance of said failure for a period of ten (10) days after written notice to the Company stating that such payment is due and payable;

(B) Failure of the Company to observe and perform any other covenant, condition or agreement on its part to be observed and performed by it hereunder (other than as referred to in paragraph (A) above) and continuance of such failure for a period of thirty (30) days after written notice to the Company specifying the nature of such failure and requesting that it be remedied; provided that if such default cannot reasonably be cured within such thirty (30) day period, and the Company shall have commenced action to cure the breach of such covenant, condition or agreement within said thirty (30) day period and thereafter diligently and expeditiously proceeds to cure the same, such thirty (30) day period shall be extended for a period not to exceed sixty (60) days from the date of receipt by the Company of such notice; or

(C) Any warranty or representation by the Company contained in this Agreement shall prove to have been false or incorrect in any material respect on the date when made or on the effective date of this Agreement and such falsity or incorrectness has a material adverse affect on the Company's ability to perform its obligations under this Agreement.

SECTION 4.02. REMEDIES ON DEFAULT. Whenever any Event of Default shall have occurred and be continuing with respect to this Agreement, the Agency may take whatever action at law or in equity as may appear necessary or desirable to collect the amount then in default or to enforce the performance and observance of the obligations, agreements and covenants of the Company under this Agreement including, without limitation, the exercise by the Agency of the remedy set forth in subsection (A)(3) of Section 10.2 of the Lease Agreement. Each such Event of Default shall give rise to a separate cause of action hereunder and separate suits may be brought hereunder as each cause of action arises. The Company irrevocably agrees that any suit, action or other legal proceeding arising out of this Agreement may be brought in the courts of the State of New York, consents to the jurisdiction of each such court in any such suit, action or proceeding, and waives any objection which it may have to the laying of the venue of any such suit, action or proceeding in any of such courts.

SECTION 4.03. PAYMENT OF ATTORNEY'S FEES AND EXPENSES. If an Event of Default should occur and be continuing under this Agreement and the Agency should employ attorneys or incur other reasonable expenses for the collection of any amounts due and payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will, on demand therefor by the Agency, reimburse the Agency for the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred, whether or not an action is commenced.

SECTION 4.04. REMEDIES; WAIVER AND NOTICE.

(A) No Remedy Exclusive: Notwithstanding anything to the contrary contained herein, no remedy herein conferred upon or reserved to the Agency or the Company is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute.

(B) Delay: No delay or omission in exercising any right or power accruing upon the occurrence of an Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(C) Notice Not Required: In order to entitle the Agency to exercise any remedy reserved to it in this Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this Agreement.

(D) No Waiver: In the event any provision contained in this Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this Agreement shall be established by conduct, custom or course of dealing.

ARTICLE V

MISCELLANEOUS

SECTION 5.01. TERM OF AGREEMENT.

This Agreement shall continue to remain in effect until the termination of the Lease Agreement in accordance with its terms.

(B) Extended Term: In the event that (1) title to the Project Facility shall be conveyed to the Company, (2) on the date on which the Company obtains title to the Project Facility, the Project Facility shall be assessed as exempt upon the assessment roll of any one or more of the Taxing Entities solely as a result of the Agency's prior ownership of the Project Facility, and (3) the fact of obtaining title shall not immediately obligate the Company to make pro rata tax payments pursuant to legislation similar to Chapter 635 of the 1978 Laws of New York (codified as subsection 3 of Section 302 of the Real Property Tax Law and Section 520 of the Real Property Tax Law), this Agreement shall remain in full force and effect but only to the extent set forth in this sentence and the Company shall be obligated to make payments to the Agency in amounts equal to the Normal Tax which would be due from the Company if the Project Facility were owned by the Company and not the Agency until the first tax year in which the Company shall appear on the tax rolls of the various Taxing Entities having jurisdiction over the Project Facility as the legal owner of record of the Project Facility.

SECTION 5.02. FORM OF PAYMENTS. The amounts payable under this Agreement shall be payable in such coin and currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

SECTION 5.04. AMENDMENT OF AGREEMENT. This Agreement may not be amended, changed, modified, altered, supplemented or terminated unless such amendment, change, modification, alteration or termination is in writing and unless signed by the party against which enforcement of the amendment, change, modification, alteration, supplement or termination shall be sought.
